ARAPAHOE COUNTY POLICIES

- Citizen advisory members must be residents or business owners of real property in Arapahoe County, except as specifically provided by County resolution.
- In an attempt to provide broad county representation, applicants may serve on only one board or committee at a time, unless an exception is granted by the Board of County Commissioners, or as specifically provided by County resolution.
- Information submitted on the application for appointment is considered public information as it pertains to the Open Records Act, and shall be available for public inspection. If you do not wish to have your personal information (such as addresses and phone numbers) released to the public, you must check the CONFIDENTIAL box on the application form.
- A member serving in a citizen-at-large position would be eligible to serve two consecutive terms. This would mean a total of six consecutive years for committees with a three-year term length. At-large positions on committees with four and five year terms would serve eight to ten consecutive years respectively. A full term served is only counted if a new member completing an expired term serves more than half of the term length.
- Citizens serving on the Planning Commission or Board of Adjustment must reside in, or own real property in, unincorporated Arapahoe County.
- As a matter of general policy, the Commissioner are codifying a requirement that appointees to an advisory group or other entity may not personally profit from, or gain a financial benefit from the activities of the group or entity to which they have been appointed.
- County employees may not serve on advisory groups or other entities with the exception of advisory groups or entities that are at least partially comprised of County staff members.
- Appointees will be required to submit to appropriate background checks as part of the application process, including, potentially, a criminal background check.
- It is the policy of the Board of County Commissioners that Arapahoe County employees cannot serve on Citizen Advisory Boards and Committees unless the Commissioners appoint them to a board, commission or committee as part of their job duties.
- Reappointments to advisory boards or committees are not automatic and are subject to Board approval. Each November, Consideration for Reappointment letters and forms are sent to those individuals whose terms will be expiring in February. Letters and forms are sent to Cultural Council members to correspond with their terms expiring in November and to the Open Space and Trials Advisory Board members to correspond with their terms expiring in June. The positions expiring are available to new applicants. The Board of County Commissioners makes all advisory committee appointments.
- Citizen advisory committee members that resign or do not wish to be considered for reappointment are asked to notify the Commissioners' Office in writing of their intent. Resignation letters can be sent to The Board of County Commissioners, 5334 S. Prince St., Littleton, CO 80120-1136.
